Lack of Training Camps for NCC Cadets

3041. SHRI JAGDISH PRASAD MATHUR: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that majority of the NCC cadets do not attend the camps to obtain certificates-'A', 'B' & 'C, due to inadequate number of training camps;

(b) if so, what are the, reasons for the failure of NCC authorities to hold the requisite number of training camps; and

(c) what remedial action has been initiated by Government to provide the camp training facility to the NCC Cadets?

THE MINISTER OF DEFENCE (SHRI SHARAD PAWAR): (a) to (c) Out of the total enrolled strength of 11.4 lakh cadets in the NCC, only 50% are required to attend Camps in a training year. During the current year, upto November 1992, a total of 578 Training Camps have been conducted, covering 3,46,734 Cadets. Some of the State NCC Directorates are unable to achieve the envisage targets of Training Camps due to the non-release of adequate funds by the concerned State Governments.
